## LANGUAGES

- English
- Afan Oromo (Native)
- Amharic (Fluent)

## EXPERIENCE

Student Software Developer (Team Projects) : 2024 - Present

- Collaborated in Agile-based teams of up to 11 developers using Git and GitHub workflows
- Participated in a hackathon with a team of 5 developers and built a real-world application within 24 hours.
- Integrated third party APIs such Groq AI, Stripe, TMDb, and M-Pesa
- Used Git and GitHub for version control and teamwork

## PROJECTS

### 1. YeneBeta -Rental & Sales Platform (Hackathon Project)

- Built a platform that connects house owners and renters without intermediaries
- Developed within 24 hours during a hackathon with a team of 5 developers
- Live: <https://yenebeta.vercel.app/>
- GitHub: <https://github.com/Naol724/YENE-BETA>

### 2. DebugSense AI - Smart Error Explainer(Hackathon)

- AI-powered tool that explains programming errors and provides corrected code
- Integrated LLaMA-3.3-70B via Groq API for intelligent debugging .
- Tech: React, Vite, Tailwind CSS, Node.js, Express, Groq API
- Live: <https://debugsenser-ai-3.onrender.com/>
- GitHub: <https://github.com/Naol724/Debugsenser-ai>

### 4.E-Commerce Web Application (Amazon-Style)

- Full-stack e-commerce platform with authentication and payment integration
- Implemented cart system, order and user account features.
- Live: <https://react-ecommerce-app-24et.onrender.com/>
- GitHub: <https://github.com/Naol724/React-Amazon-clone>

### 3.Netflix Clone - Movie Streaming App

- Built dynamic movie browsing platform with trailer integration
- Integrated TMDb API and YouTube API for real-time content
- Live: <https://movie-streaming-app-0p2g.onrender.com/>
- GitHub: <https://github.com/Naol724/react-movie-app>

## ACHIEVEMENTS

- Awarded Hackathon Participation Certificate - Cursor Community Hackathon for developing a real-world web application
- Built and deployed a rental platform solving housing connectivity challenges within 24 hours.
- Gained Agile development experience working in a team of 11 developers

## AVAILABILITY

Open to Remote Internships (Part-Time alongside studies)
